SCANDAL

Chuck Berry got in some legal trouble when he took a 14-year-old girl from Arizona to Missouri to work at his Bandstand club. Her work didn't require clothes, apparently.

JFK was elected President of the United States with much help from the votes of dead Americans in Cook County, Illinois and in Texas.

The mysterious BLACK KNIGHT Satellite was seen by both Russian and American Air Defense units. At 15 tons, was bigger than any country could have sent at that time. It disappeared after about three weeks.
